

Investing for Success

**Under this agreement for 2022
Marburg State School will receive**

\$17668*

This funding will be used to

- Consolidate and deepen staff understanding of the full implementation of the Australian Curriculum and expectations outlined in the P – 12 CARF;
- Increase C-A Levels of Achievement Data in English;
- Further develop inclusive learning opportunities to ensure all students can access and participate in learning alongside their similar-aged peers;
- Provide students who require additional support learning opportunities to develop necessary competencies in communication, language, learning and literacy.

Our initiatives include

- Continue to refine and enhance Three Levels of Planning Curriculum documentation across all Learning Areas;
- Increase capability of all Teaching staff to implement the Australian Curriculum with an inclusive approach;
- Develop a clear and consistent approach towards teaching phonics within the Early Years and for those students requiring additional support across the school;
- Implement Robust Vocabulary Instruction (RVI) into daily teaching practises.

Our school will improve student outcomes by
